Benefit Coverage

The Housing Authority of the City of Milwaukee (HACM) provides a comprehensive benefit program designed to assist our employees and their families in meeting the financial burdens that can result from illness, disability and death, and to help them plan for their retirement.

This section of the handbook highlights some features of our benefit plans. These plans are described more fully in the Summary Plan Descriptions (SPDs) that are provided for each plan or the open enrollment booklet for active employees that are provided for each plan. Complete descriptions of all our benefit plans are contained in our master contracts and documents. As carefully as we try to write these highlights and the Summary Plan Descriptions, they cannot replace or change any provisions of the master documents that actually govern and control your benefits.

The Housing Authority of the City of Milwaukee has the right to alter or change any benefit within the realm of Wisconsin law.

Benefit Elections

If employees do not select medical, dental, or life coverage when they become eligible, they will have to wait until the next open enrollment period to join. The benefit elections that employees select will remain in effect for the rest of the plan year until the next open enrollment, unless they have a change in their family or employment status that is considered to be a qualifying event in accordance with governing laws. Human Resources must be notified within thirty (30) days of a change in family status (i.e. birth, marriage, divorce, loss of other coverage, etc.) to be eligible to add or drop a dependent.

Employees hired on a full-time, regular basis become eligible for medical, dental, and vision benefits for themselves and their eligible dependents upon completion of thirty (30) consecutive calendar days of active service. Enrollment in Health/Dental/Vision insurance programs is optional. Employees may select from a choice of available plans. Before choosing a specific plan it is in the employee's best interest to learn how the benefits differ and which policy best suits the employee's specific needs. Each employee will be given an enrollment form during orientation. To enroll, the employee must complete and return the form(s) to the Human Resource Department by the date he or she is eligible to enroll.

ACA Notice: If an employee waives their health insurance and if the employee does not have other health insurance benefits or coverage through a spouse or family member, the employee will be subject to the Affordable Care Act (ACA) and any financial penalties associated with not having health insurance benefits.

Eligibility

Full-time employees are eligible to participate in HACM's benefit program. The employee's contribution of the total premium varies depending on coverage chosen. This contribution is deducted semi-monthly directly from the employee's paycheck, on a pre-tax basis (see Summary of Benefits for plan design). Eligible employees may choose Employee Only, Employee and Spouse, Employee and Child(ren) or Family coverage.

If the employee does not select coverage by the eligibility date, he or she will have to wait until the next annual open enrollment period to join the plan unless he or she has a change in employment or family status that would qualify him or her to enroll earlier. All benefit elections that are selected will remain in effect for the rest of the plan

year until the next annual open enrollment, unless you experience a qualifying event as allowable by law. **Human Resources must be notified within 30 days of a change in family status** (i.e. birth, marriage, divorce, annulment, loss of other medical coverage, spouse gets a new job or spouse leaves/loses job) in order to add a dependent. **You may not add or change your coverage during the plan year, unless you experience a qualifying event as allowable by law.** Please contact Human Resources for a complete list of qualifying events that may apply. Employees may drop coverage at any time.

Adult Children Eligibility

For some benefits, employees may be able to elect coverage for adult children under the age of 26 regardless of their student status. If adult children are eligible for coverage under their own employer, they are still eligible for coverage under their parent's insurance if their premium cost would exceed the extra premium cost their parent would pay to add them to their coverage. Employees are not required to add eligible adult children; however, they may do so if they choose.

Medical and Dental Programs

Full-time employees are eligible to participate in HACM's medical program. The employee's contribution of the total premium varies depending on coverage chosen. This contribution is deducted semi-monthly directly from the employee's paycheck, on a pre-tax basis (see Summary of Benefits for plan design). For HACM's medical program, eligible employees may choose Employee Only, Employee and Spouse, Employee and Child(ren) or Family coverage. For HACM's dental program, eligible employees may choose Employee Only or Family coverage.

Continuing your Health Coverage (COBRA)

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA), you (and/or any dependents covered under your benefit plan) would be entitled to continue medical and/or dental coverage in the event of: termination of employment, reduction in hours which results in a loss of benefit eligibility status, death, legal separation, annulment, divorce, a dependent reaching the maximum age limit, and certain other circumstances.

It is the employee's responsibility to contact Human Resources, within 30 days from the date of a change in family status, so proper COBRA notification can be sent to the family members involved. The employee and his or her eligible dependents may have the right to continue health coverage. COBRA letters detailing costs and maximum length of coverage will be sent out after the qualifying event occurs. Certificates of Coverage will be sent out by the insurance company upon termination in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA). To inform employees of their rights under the COBRA and HIPAA laws, information will be mailed to the employee's address upon enrolling in the plan.

Wellness Your Choice

HACM along with The City of Milwaukee is partnering with Froedtert and Community Health Workforce Health to provide comprehensive health and wellness services to City employees. The program includes a blood draw, an online Health History, a meeting with one of Workforce Health's health educators and a report to each member who completes the process. Employees and applicable spouses who complete the comprehensive health and wellness service will not have a health assessment fee.

Flexible Spending Account

HACM is pleased to offer the Flexible Choices Program (FSA). Through the FSA program you can set aside a portion of your earnings with pre-tax dollars, for everyday expenses you may have with dependent day care expenses, out-of-pocket medical expenses, including dental, vision, over-the-counter medications (with doctor's prescription), and prescription drug expenses and work-related parking expenses.

You may enroll before the expiration of thirty (30) days after hired date or during open enrollment period for the first time or to renew your enrollment for the New Year.

The FSA program does not roll over into the New Year automatically, you must re-enroll.

- A network of thousands of participating pharmacies
- Convenient mail-order pharmacies for medications you take on a regular basis
- Sophisticated medication safety checks
- Round-the-clock access to registered pharmacists
- Well-trained Member Service representatives

As a member, you'll benefit from a higher level of care. You'll find the services that you're used to with a traditional pharmacy-and then some.

Long Term Disability Insurance

HACM provides long term disability (LTD) insurance. All eligible employees who have been on the payroll for at least six months receive this benefit. The disability insurance allows you to protect your income if illness or injury prevents you from performing your job and could be especially important if your salary is your primary or sole source of income. The LTD program features two parts: a core benefit and an optional benefit plan. The core benefit is provided by HACM at no cost to eligible employees. The optional benefit can be purchased by employees and paid through payroll deduction. See Human Resources for more information.

Pension

HACM participates in the City of Milwaukee Employees Retirement System. The Employee's Retirement System provides duty disability benefits and ordinary disability benefits along with other programs. Employees who annually average more than 20 hours of work per week are eligible for membership in the system as are those employees who have been previously enrolled but accept positions of 20 hours per week or less. Employees are responsible for the full member contribution, which is 5.5% of an employee's earnings for employees hired before 1/1/2014, and 4.0% of an employee's earnings for those hired after 1/1/2014, excluding overtime. Employees are vested in the retirement system after four years. Employees who separate from HACM employment and have at least four years of service may leave their member contribution in the Employee's Retirement System and draw a pension allowance upon reaching the minimum regular service retirement age of 60.

Deferred Compensation Plan

HACM offers all employees a Deferred Compensation Plan administered by an outside third party provider, information on this plan available by contacting Human Resources.

Group Life Insurance

Eligible employees are automatically enrolled in the group life insurance program, which provides coverage of \$50,000, at HACM expense.

Employees may choose to buy additional coverage for themselves, available in 50% increments up to 300% of their base annual salary. The amount of coverage is calculated by multiplying their base annual salary by the desired percentage and, if not an even thousand, rounding it up to the next thousand. Premium is based upon age, and is deducted from the second paycheck of each month.

Employees who elect to buy additional coverage for themselves may also purchase family coverage for their spouse and/or dependent children for a flat rate, also deducted the second paycheck of each month. Family coverage provides spousal insurance at \$25,000, children 14 days to 6 months of age at \$2,000, and children 6 months to age 26 at \$10,000.

Full-time employees receive the following eleven (11) holidays with pay.

Whenever New Year's Day, Independence Day or Christmas day fall on Sunday, the following Monday is observed as a holiday. Whenever New Year's Day or Christmas fall on Saturday the following Monday is observed as a holiday. HACM reserves the right to modify the Holiday schedule based on the needs of the organization.

Sick Leave

Paid sick leave is to be used only to cover the necessary absence from work of an employee due to employees' illness, or disease and disability.

Full-time Non-Exempt Employees	15 days/year	12 days/year

Employees absent from work during the first six months of employment are to consult with their immediate supervisor to determine if time is to be made up or if the employee will not be paid for lost time.

These sick leave provisions should not be construed and will not be construed or applied in a manner that undercuts employee rights under the State and Federal FMLA laws.

Vacation

The Housing Authority of the City of Milwaukee (HACM) provides and encourages time off, with pay, for the purpose of rest and relaxation and, when necessary, to address scheduled personal commitments or obligations.

Full time HACM employees must complete 90 days of actual service before being eligible for paid vacation; City employees are eligible for paid vacation upon hire in accordance with the Milwaukee Code of Ordinances.

All employees are allowed to borrow up to 80 hours of vacation time at the discretion of the department head and may carryover up to 120 hours at the end of the year. Vacation is earned and accrued as follows:

For employees hired **before** January 1, 2013:

Family Medical Leave

Federal and State law requires certain employers to grant family and medical leaves of absence to eligible employees. Wisconsin employers follow both state and federal family and medical leave laws. Where Wisconsin and federal provisions differ, the one most favorable to the employee must be followed. The Human Resource Department will supply details of these laws.

Jury Duty

Any time taken off for jury leave is treated as a paid absence for full-time employees. HACM continues the employee's salary during the period of active jury leave less any compensation provided by the court. The monies received will be remitted to the Authority, minus any reimbursements for lodging, transportation and/or meals.

Military Leave

HACM complies with the State and Federal laws regarding the rights of employees who enter military service. If an employee is called into duty and meets all legal requirements, HACM will allow the needed time off to fulfill this commitment.

A maximum of two (2) weeks of paid leave will be provided in any one calendar year for reservists and members of the National Guard to participate in active duty training, emergency service or specialized training if all legal requirements are met. If these activities are compensated by the government, HACM will pay the difference between the employee's regular straight time wages and the government's compensation up to a maximum of two (2) weeks.

Worker's Compensation

HACM carries worker's compensation insurance based on state law. This insurance provides compensation for lost time, medical expenses and loss of life or dismemberment from injury arising out of or in the course of your employment. In order to protect your own interests in case of an injury or illness that is work related, you or your Supervisor must contact the Human Resource Department before the end of your work shift. Failure to do so may result in disciplinary action, up to and including termination. You will be required to complete an Incident Report and submit it to Human Resources as immediately as possible to file a claim. If your injury is such that you are unable to complete the form, your manager or department head may do so.

Eligibility for Worker's Compensation benefits is determined by a third party administrator.

Bereavement Leave

In the event of a death in the immediate family, HACM provides full-time employees time off with pay up to a maximum of three (3) days for immediate family members. Immediate family is defined as a spouse, domestic partner, children, siblings (in-law), parents, grandparents, great-grandparents, grandchildren, father-in-law and mother-in-law. Step parents and step children by virtue of the employee's current spouse and adoptive relationships are treated the same as natural relationships for the purpose of funeral leave administration. An employee's eligibility to use step parent funeral leave is limited to one step father and one step mother, regardless of the number of his/her step parents.

Tuition Reimbursement

Effective upon date of employment, tuition reimbursement is available to full-time employees to prepare for career advancement.

Eligible employees may receive up to a maximum of \$1,500 per calendar year in reimbursement of tuition and textbooks for approved courses of study. Tuition reimbursement funds do not roll over to the next year.
