December 5, 2025

HACM HUB is your weekly source for trusted information and updates from the Housing Authority of the City of Milwaukee (HACM). Through this platform, we aim to provide clear communication and insights into the work being done to provide a continuum of affordable housing options that support self-sufficiency, good quality of life, and the opportunity to thrive.

ALDERWOMAN SHARLEN MOORE CONGRATULATES NEW HOMEOWNER MYA JOHNSON

HACM Commissioner and Alderwoman Sharlen Moore met with Mya Johnson to celebrate her recent homeownership milestone. Commissioner Moore highlighted how homeownership can be a powerful tool for building long-term financial stability and helping families move toward breaking the cycle of generational poverty. She also thanked HACM Case Manager Glynnis Greene for her guidance and support throughout Ms. Johnson's journey. Ms. Johnson was previously featured in our [November 21 newsletter](#) for her inspiring journey.

SCATTERED SITES HOSTS FIRST FRIENDSGIVING AT HILLSIDE

Families from both Scattered Sites — HACM’s program that provides affordable housing for families in homes located throughout the community — and Hillside Terrace came together for Scattered Sites first Friendsgiving celebration at the Hillside Family Resource Center. Guests shared a warm Thanksgiving meal, built community connections, and enjoyed an evening of togetherness. One of the most memorable moments came from the children, who shared what they are thankful for, a heartfelt highlight that captured the spirit of the night.

A special thank you to Scattered Sites Property Manager Crystal Walton and her team for coordinating this wonderful event!
